Hebron Historical Society's Request for Quilts

Quilts Needed for Show! The Hebron Historical Society will be holding its 28th Annual Quilt Show during the 2017 Hebron Maple Festival on March 18 & 19. As in the previous 27 years, quilts will be displayed at the Historical Society's Old Town Hall on Main Street in Hebron.

The Historical Society invites both local and not-so-local quilters to share their handcrafted creations with other quilters and admirers. Over the years we have established a large following, and the show is always eagerly anticipated and well attended.

To create more interest, the Historical Society offers a viewer's choice competition for both adults and children. In addition to having their quilts displayed, those quilters are invited to submit quilted items either on consignment or as a donation to the non-profit Hebron Historical Society.

For more details and/or to confirm your plan to participate, contact Mary-Ellen Gonci at mergonci65@comcast.net.
