

CHARLES M. AMS
101 PARK AVENUE, ROOM 1113
NEW YORK CITY

Feb. 17, 1919.

Mr. Lewis N. Phelps,
Referee in Bankruptcy of the
Sterling Automobile Mfg. Co., Inc.,
Andover, Conn.

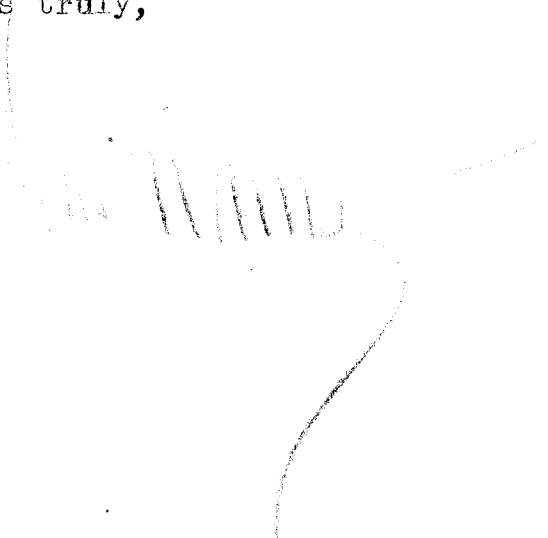

Dear Sir:

I am in possession of receipt given to Mr. Frank Nonnenbacher for one Sterling automobile, but when I spoke to you I understood you were to send me a general receipt for all of the stuff so far delivered, unless you consider this unnecessary.

Will you also return to me at your expense the Sterling motor, my property, which you took away.

I should like you to remove the rest of the stuff from my premises as soon as possible, as I am needing the room and want to ~~try~~ try to find a tenant for my building, which is now impossible as the stuff is all over the place. Will you please advise me, or my attorney Mr. Spafford, what you propose to do in the matter, and oblige

Yours truly,

CMA.Y
