MR. JONES

Gentlemen:--

Under date of April 3rd you wrote us in connection with Spring Shackle Bolts and advised us you had requested your factory at Amston, Conn. to forward us blue prints.

Up to the present writing we have not received the blue prints and if you are still in the market for these parts, would appreciate your forwarding us the prints so that we may have an opportunity of figuring with you.

Please let us hear from you at an early date, and oblige,

Yours truly
